Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

The organization requires all grant recipients to complete an annual application that outlines their need for assistance and purpose for which any money would be used. Then volunteers review applications and interview applicants and determine how much money to award each applicant for a specific program.

If an agency budget exceeds \$100,000, they are required to have an audit completed. If the agency total budget is below \$100,000, then a review of the financial statements is acceptable.

Each agency that re-applies for funding must explain and document how previous funding was used in the prior year.

The organization is constantly reviewing and refining their procedures for monitoring grants awarded.

Part IV - Additional Information

Money invested into Partner Agencies and Programs that get documented results and daily meet the basic, emergency and special needs for seniors, youth, the disabled and families.
